

**NOTICE OF REQUIREMENT TO COMPLY WITH THE SUBDIVISION AND SERVICE
EXTENSION POLICY OF
STEPHENS REGIONAL SPECIAL UTILITY DISTRICT**

Pursuant to Chapter §13.2502 of the Texas Water Code, Stephens Regional Special Utility District hereby gives notice that any person who subdivides land by dividing any lot, tract, or parcel of land, within the service area of Stephens Regional Special Utility District, Certificate of Convenience and Necessity No. 11456 , located in Stephens, Throckmorton, Palo Pinto, Shackelford, Eastland, and Young Counties, into two or more lots or sites for the purpose of sale or development, whether immediate or future, including re-subdivision of land for which a plat has been filed and recorded or requests more than two water service connections on a single contiguous tract of land must comply with Non-Standard Service Requirements contained in Stephens Regional Special Utility District's Service Policy.

Stephens Regional Special Utility District is not required to extend retail water utility service to a service applicant in a subdivision where the developer of the subdivision has failed to comply with the Subdivision Policy.

Among other requirements, the Subdivision Policy requires:

Applicable elements of the Subdivision include:

- Evaluation by Stephens Regional Special Utility District of the impact a proposed subdivision service extension will make on Stephens Regional Special Utility District water supply service system and payment of the costs for this evaluation;

- Payment of reasonable costs or fees by the developer for providing water supply service capacity;

- Payment of fees for reserving water supply capacity;

- Forfeiture of reserved water supply service capacity for failure to pay applicable fees;

- Payment of costs of any improvements to Stephens Regional Special Utility District system that are necessary to provide the water service;

- Construction according to design approved by Stephens Regional Special Utility District and dedication by the developer of water facilities within the subdivision following inspection.
